Introducing:

Refine Monthly Rewards Program

Workout more and pay less! Join our Monthly Rewards program for free and each time you come your price per visit will decrease by \$1.50. Then, pay at the **end** of each monthly cycle for the number of visits you've used, enjoying greater savings the more you workout. No cost and no commitment--just watch the savings add up!

How does it work?

- 1) "Purchase" the Monthly Rewards Pass for \$0.00
- 2) Start booking classes. Your month begins on the **date of your first visit**, not the date of purchase.
- 3) At the end of the month, pay for the classes you have attended, with each visit decreasing in price.

At the end of your monthly billing cycle, the Rewards Pass will auto-renew, **but your month will not begin again until your next class.**
